

The Greater Egg Harbor Regional High School District has replaced ParentCONNECT with the Genesis Parent Access.

Through the Genesis Parent Module you will have access to your child's records.

Genesis Parent Access "Home" – Student Dashboard Screen

When you login to Genesis Parent Access the first screen you see is Parent Access "Home". This is the Student Dashboard screen. You will see a 'dashboard' for every student linked to your login.

Each student's 'dashboard' contains the following information:

- Basic information about the student: **student id**, **homeroom**, **grade**, **age**. If you are viewing the screen during the school day, you will also see information about the class your student is in 'right now': **current class**, **current teacher** and **current room**.
- The student's attendance summary for the current week – this shows you a color coded attendance code for each day of the week.
